YOUR COLLEGE IS NUMBER ONE IN THE UK FOR EQUALITY AND DIVERSITY - FOR THE 3RD YEAR RUNNING!

Your College has been named as number one in the UK for Equality and Diversity - for the 3rd year running! We have also been named as the Further Education Provider of the Year 2019. The National Centre for Diversity publish an index of the top 100 organisations for FREDIE (Fairness, Respect, Equality, Diversity, Inclusion and Engagement) and your HNC has been named number 1 in this list - ahead of multi-national companies and international organisations.

The awards reflect how our College community is genuinely inclusive, and how you are part of a thriving environment where you are given opportunity to celebrate your own uniqueness and that of others.

The VInspired Award allows you to formally log your volunteering activity, providing a great way for you to evidence your volunteering activity for UCAS and job applications.
