

# WEEKLY NEWS BITES

## Grow Your Skills: Head Students Applications Close Tomorrow!

Applications for our two Head Student roles close tomorrow, Friday 1<sup>st</sup> March. These fully supported roles (open to Year 12 students) will see you gaining a fantastic range of skills and improving our College for the benefit of all students. Full training and support will be provided, and the skills you will gain will help you to really stand out from the crowd in future university and job applications. If you are a Student Ambassador then you are particularly encouraged to consider applying. Full information can be found on Moodle - don't miss out on this brilliant opportunity!

## International Women's Day

To celebrate International Women's Day our Criminology students will be hosting a special fundraising event in the Street on Friday 8<sup>th</sup> of March for the Women's Centre - look out for further details next week!

## Love Your College

Our new Love Your College campaign will start soon and you will see our new icon around College. 99% of our students respect their College environment, helping to maintain HNC as a pleasant place to study.

If you are amongst the small proportion of students who don't, please change your behaviour - it is as simple as placing your litter in the bin!

All students are expected to respect their College.

## Important Notices for All Students

### In Year 12?

All students must have an appointment with their Progress Tutor to look at progression to Year 13. All students, regardless of course choices and current grades, must have this meeting so please ensure you speak to your Progress Tutor to book your slot if you haven't already.

### In Year 13 and seeking employment or an apprenticeship?

Students who are seeking employment or an apprenticeship will benefit from a special session with Ernst and Young, a multinational professional services firm. A range of professionals will be in College on Tuesday 19<sup>th</sup> March conducting interviews. These are an important part of helping you prepare for your interviews in the real world. Eligible students will receive a registration form, these must be returned by 7<sup>th</sup> March.
