DO YOU STILL NEED SOME EXTRA SUPPORT TO SETTLE OR WANT TO TALK ABOUT COLLEGE LIFE?

If you want to chat to anyone about your start at College, or think we could help you to improve your start with us, then our Student Welfare service can be accessed Monday- Friday. On a Monday, Wednesday and Thursday lunchtime the team also run 'tea and chat' sessions in the Dining Area. These are ideal if you want to chat more informally about your start at College and meet other new students, including those who don't already know lots of people at College. We are here to help!
