

WEEKLY NEWS BITES

Love Your College: a thank you

99% of our College community help to keep College a tidy, welcoming place to study.

This is your College, and all students are expected to help look after our College, placing litter in bins and respecting the College environment.

Thank you to everyone who helps us maintain our facilities. This helps to make College a better place for everyone.

The Base

The Base will be in College on Wednesday 13th March over the lunch period. The team will be offering friendly and confidential support around alcohol and drug issues.

Exam Timetables

If you are taking an exam in May/June 2019, your timetable is now available to view. On Cedar, just click on 'Exams and Results' and then 'Exam Timetable.'

The dates and times of exams are set by the exam boards, not by the College. Please check the information carefully.

If you have an exams clash, you will be contacted by the Exams Office shortly.

Time to Revise: access your support

Our Time to Revise support package is now running. Did you know that our staffed revision sessions are available to you for both a quiet place to study and for revision support, resources and strategies?

Staff are on hand to help if you need it, and you can also collect free resources such as highlighters and flashcards. These all take place in room 601 and you can simply pop along to any of the sessions running as follows:

- Tuesdays from 1.15pm onwards
- Wednesdays 9am - 10.30am then again from 2.15pm until 4.15pm
- Thursdays 10.30am - 11.30am then again from 1.15pm onwards

Check out the screens around College for full details of all the support available!
