Huddersfield New College's award winning Rugby League Academy was established in 2009 and has gone from strength to strength and has seen huge successes including being crowned Yorkshire Cup Champions in 2016.

Our Rugby League Academy programme helps students to train at a high level under the direction of a qualified and experienced coach and combine this with their studies. Places on the team are by trial, and you will play competitively whilst learning. Successful applicants will have the opportunity to study for additional qualifications, such as the RL Level 1 Coaching, and will also have the opportunity to join tours abroad.

Students who have come through the ranks of the College's Rugby Academy have gone on to have great success. Our 2016 Captain, Daniel King, signed for the England College's team, playing fixtures against the Home Nations teams. Rugby Academy alumna also include Giants players Leroy Cudjoe and Michael Lawrence.

We are renowned for our development of talented sports people and athletes, and focus seriously on nurturing and developing sporting talent. You don't have to be studying Sport to benefit – our Academy Programmes ensure that if you have a passion and talent and play a team sport competitively, you can excel in both your studies and your chosen sport!

### **Why trial for an Academy or Development Programme?**

Academies and Development Programmes allow students to train in a professional environment alongside enjoying an outstanding academic experience. Students can:

- Receive outstanding coaching to improve performance
- Play at the highest competitive level
- Access additional qualifications such as coaching awards

## HUDDERSFIELD NEW COLLEGE SPORTS PROGRAMME

hnclr@huddnewcoll.ac.uk

Following on from the success of the Men's Rugby Academy, Huddersfield New College's Women's Rugby League Programme was established in 2014, and alongside the College Rugby League (CRL), is leading the way in developing greater opportunities for female Rugby players to take part in competitions and nationally recognised coaching qualifications.

Our Rugby League programme helps female students to train under the direction of our outstanding and experienced coaches while continuing with their studies. Places on the team are by trial, and players benefit from professional-grade facilities and will have the opportunity to compete against other College's in a series of fixtures and rugby festivals.
