

# A HUGE WELCOME TO YOU AT THE START OF YOUR JOURNEY AS A PARENT/CARER

We understand the vital role you play in your son/daughter's success, and we offer a range of opportunities for you to get involved. This short leaflet provides a quick summary of some of these, and shares some key ways you can support us to ensure your son/daughter excels. Please do ask us for further information this evening.

## Do we hold the right contact details for you?

We are committed to ensuring we have regular and timely contact with you during your son/daughter's time with us. Please support us to do this by making sure we hold the most up-to-date contact details for you, and let us know when you change your mobile number. You can do this quickly and easily via Cedar, and we would appreciate it if you could log in to Cedar to check your details and send any amendments through the 'Update Contact Details' link provided. Please only complete any section that has changed or is new.

We appreciate that students don't always arrive home and share more about their day, and our termly online newsletter is a great way for you to gain an insight into the types of experiences our students enjoy. This is emailed around once a term, and is a great summary of the outstanding experiences students enjoy. Due to GDPR we need you to opt in to receiving this (you can opt out at any time). You can do so via:

- The news page on our website - [www.huddnewcoll.ac.uk](http://www.huddnewcoll.ac.uk)
- Completing and signing a slip this evening

If you want to keep up to date on a more regular basis, then our social media accounts are a great way to do this
