

## UPCOMING EVENTS

As we approach the half-term break, we have a couple of key events for coming up.

### *Year 13 Leavers Event*

Thursday 23 May will be our Year 13 Leavers Event. On this day if you are a Year 13 student you are invited to come along to the Costa Cafe with your friends between 10am - 2pm to grab a picture in our magic mirror selfie booth and take away a free print! You'll also be able to leave a message or thank you message on our tree of memories, and collect your leavers hoodie (if purchased).

Don't miss your opportunity to capture a lasting memory of your time at HNC - we'll see you there!

## WORLD CULTURE DAY

Don't forget that it is World Culture Day on Tuesday 21 May. Please join us in your cultural dress and prepare to share more about what makes you proud to be part of your individual culture. Don't forget that a range of meals from around the world will be available in the Junction, along with music, face painting and henna art during the lunch break.

## *Meet your Head Students team*

Thank you to everyone who applied to become a Head Student. We were incredibly impressed by the quality of applications and interviews. Following this, we are delighted to introduce you to your new Head Student team and members of Student Council. Our appointees are now working with our outgoing Student Council, and will start to undertake duties over the coming weeks. Don't forget you can speak to any member of the team, or email [headstudent@huddnewcoll.ac.uk](mailto:headstudent@huddnewcoll.ac.uk)

## GET READY TO BOOK NOW: SUMMER CAREERS EVENT

As outlined last week, all Year 12 students will join our Summer Careers Event on Wednesday 12 June. On this day you'll attend a variety of talks, and be able to choose from a range of career specific sessions, all of which will help you shape your vision for the future and plan how you will get there.

**Please note that on this day you will need to be at College for the start of this event, irrespective of if you do not normally have lessons in the morning.**

During tutorials next week you'll learn more, including finding out the group you will be in on this day and being advised about how to book your chosen workshops/talks.

### *Cyber savvy top tip*
