

## Summer Careers Event - Wednesday 12 June

As you will be aware, next week is your Summer Careers Event. On Monday 10 June you will receive your bespoke timetable for the day.

Please ensure that you check your College email address for this, as this is where it will be sent. We strongly recommend that you take a picture of your timetable and save it to your phone, so that you have a handy and accessible guide. Please note that we will not be printing timetables, so it is vital you have access to this.

On this day you'll attend your workshops and talks of choice, and visit the onsite exhibition which will provide you with access to over 70 different exhibitors including employers, universities, apprenticeship providers and voluntary organisations. It is therefore a brilliant opportunity to network and gain hints and tips that will help you to secure your dream career!

Please remember that on this day you will be required to attend College inline with your event timetable, irrespective of whether you would normally have a lesson at this time.

 @huddnewcoll

## Final call - Join the Hustings event!

On Wednesday 12 June you have an opportunity to join a Hustings which will be hosted at Cathedral House in Huddersfield. Organised by Kirklees College, this event brings together political candidates from each party. At the Hustings, each candidate will outline their election promises and manifestos, and the audience has an opportunity to ask questions or tell these representatives about the issues that matter to them.

It is therefore a great opportunity to learn more about the Britain you could potentially live in if that party is elected into power, and tell them about what actions you think they need to take.

You can register your interest here:  
<https://tinyurl.com/yj3utuak>

Please note upon registering, further details will be provided about arrangements for this event, including how the Careers Event will work for you.

## Coming up - democracy in action

With the upcoming General Election on 4 July, over the next four weeks we'll be sharing lots of information and advice about how you can use your voice and the opportunity to experience life as a voter in our mock election. Please look out for further details, but today (Thursday 6 June) we will kick off our campaign with an opportunity to register to vote in the Junction.

## ARE YOU IN RECEIPT OF BURSARY?

If you are currently in receipt in bursary, please see your College email address for information about renewing your bursary for the new academic year. To make it simpler and easier for you, if you are already in receipt of bursary and your circumstances have not changed, you'll be able to let us know this, and your bursary will be renewed. If they have changed, you can also let us know via this form too. For 2024-25, if you are eligible for travel support, you will be able to opt for either the NC bus pass or an M Card to use on public transport. Please ensure you respond by the deadline, as otherwise bursary will not be in place for the next academic year.

.....  
*Good luck to our Young Enterprise team!*

Our Young Enterprise team, Colourful Adventures, are today competing in the national finals.

Having won the regional heats, the team will now be up against regional finalists from around the UK. Their imaginative product - a colouring book that helps parents/carers explore difficult topics with their children - has wowed the judges. Whatever happens, we're so proud of their success - best of luck for today!

*Coming up - Year 12 trial exams. Don't forget that your trial exams will run 26 - 28 June. Remember the LSC offers an exams support programme!*
